

CAUTIONARY STATEMENT

- Statements of future events or conditions in this presentation or the subsequent discussion period are forward-looking statements. Actual future results, including financial and operating performance; demand growth and mix; the impacts of the COVID-19 pandemic and current industry oversupply conditions on ExxonMobil's business and results; price and margin recovery; planned capital and operating expense reductions and efficiencies; future cash flows, dividends, cash and debt balances, and capital allocation; corporate and financing expenses; volume/production growth and mix; the total amount and mix of capital expenditures; resource recoveries; production rates; rates of return; development costs; project plans, timing, costs, and capacities; drilling programs and improvements; product sales and mix; accounting and financial reporting effects resulting from market developments and ExxonMobil's responsive actions; and the impact of technology, including impacts on capital efficiency, production and greenhouse gas emissions, could differ materially due to a number of factors including global or regional changes in oil, gas, petrochemicals, or feedstock prices, differentials, or other market or economic conditions affecting the oil, gas, and petrochemical industries and the demand for our products; the outcome of government policies and actions, including actions taken to address COVID-19 and to maintain the functioning of national and global economies and markets; the severity, length and ultimate impact of COVID-19 on people and economies and the timing and pace of regional and global economic recovery; the ability to access short- and long-term debt markets on a timely and affordable basis; the ability to realize efficiencies within and across our business lines and to maintain cost reductions without impairing our competitive positioning; the impact of company actions to protect the health and safety of employees, vendors, customers, and communities; reservoir performance; the outcome and timing of exploration and development projects; timely completion of construction projects; war and other security disturbances, including shipping blockades or harassment; political factors including changes in local, national, or international policies affecting our business; or changes in law or government regulation, including trade sanctions, tax and environmental regulations; the outcome of commercial negotiations and impact of commercial terms; actions of competitors and commercial counterparties; actions of consumers; opportunities for and regulatory approval of investments or divestments that may arise; the outcome of research efforts and the ability to bring new technology to commercial scale on a cost-competitive basis; the development and competitiveness of alternative energy and emission reduction technologies; unforeseen technical or operating difficulties; and other factors discussed here and under the heading "Factors Affecting Future Results" in the Investors section of our web site at exxonmobil.com. All forward-looking statements are based on management's knowledge and reasonable expectations at the time of this presentation and we assume no duty to update these statements as of any future date.
- Forward-looking statements in this release regarding project timing, returns, and results; targeted capital and operating expense reductions; market strategies; capital allocation; and other future plans, targets or key milestones refer to plans outlined in ExxonMobil's press release dated April 7, 2020 and subsequent public disclosures including our first quarter earnings press release and conference call on May 1, 2020 and annual shareholders' meeting on May 27, 2020. Forward-looking statements contained in our Investor Day held on March 5, 2020 were based on different capital plans prior to the impacts of the COVID-19 pandemic, governments' responses to the pandemic, and other market factors on ExxonMobil's business. These forward-looking statements from Investor Day should not be relied upon to represent ExxonMobil's future business plans or results of operations. Updates on the timing of some projects have been provided, but are not meant to represent a complete view of all projects where timing could be impacted by the current pandemic, the government responses to the pandemic, or other market factors. All forward-looking statements, including project timing, may be further impacted by the continuation of the COVID-19 pandemic, government responses to the pandemic, or other market factors.
- Reconciliations and definitions of non-GAAP measures and other terms are provided in the text or in the supplemental information accompanying these slides.
