

Career Opportunity for Accountants

Energy lives here™

Mobil Producing Nigeria Unlimited (MPN) is a subsidiary of Exxon Mobil Corporation with a long and established history of operations in Nigeria. The company's oil & gas production activities constitute one of the largest sources of revenue for the Nigerian government.

As a result of organizational growth and the associated opportunities within the Controllers function, career opportunities exist for ambitious and result oriented individuals to fill the position of Accountant.

ACCOUNTANT

The Candidate:

The successful candidate will have a strong academic record and experience working in a multinational organization, preferably in an international accounting firm or its equivalent. Experience in financial reporting or operational accounting process in Oil and Gas industry is also desirable.

The ideal candidate must meet the following requirements:

- Bachelor of Science with a minimum of Second Class (Upper Division), in Accounting or Finance
- Master of Science, MBA or a professional accounting qualification
- 2-3 years experience in an accounting/external audit role
- NYSC discharge or exemption certificate
- Strong analytical skills and computer proficiency
- Excellent oral and written communication skills
- Excellent interpersonal skills
- Ability to manage multiple changing and competing priorities
- Willingness to work in any location

The Role:

The successful candidate will be responsible for corporate financial reporting and will support internal management reporting processes.

REMUNERATION

This position offers a competitive compensation and benefit package commensurate with what is obtainable in the upstream oil & gas industry.

METHOD OF APPLICATION
