

Fact: Over N15 billion invested on educational initiatives (2007-2017)

Energy lives here™

Truth: Over 8,000 beneficiaries across Nigeria

ExxonMobil has been at the forefront of providing educational opportunities for Nigerian youths. Over 8,000 students across the country have so far benefited from investments totalling over N15 billion to date.

Investing over N14 billion on scholarships across all levels (primary, secondary and tertiary) including geosciences trainings/programs and our commitment of over N1.6 billion on educational infrastructures, makes us one of the top private sector supporters of education in Nigeria.

Let's work together to keep this door of opportunity open!
