

Baytown Olefins Plant

Company Profile 2021

Facility

- In operation since 1979, ExxonMobil's Olefins Plant in Baytown, Texas, is located on a 370-acre tract. A second ethylene facility was completed in 1997, and a third ethylene facility was completed in 2018.

Employees

- Approximately 480 employees with an average of 700 contract personnel.

Ownership

- Exxon Mobil Corporation (100%)

Production

- The plant manufactures approximately 10 billion pounds of petrochemical products each year which are shipped via pipeline.
- Baytown operates eleven natural gas cogeneration units that can generate up to 550 MW, used to generate electricity and high pressure steam across the Baytown Complex.

Taxes Paid

- Annual taxes (property, city, county, school and college) were \$45 million in 2020.

Economic Impact

- Annual salaries and wages are approximately \$119.7 million.

Safety and Environment

- The ExxonMobil Baytown Olefins Plant is committed to running safe and environmentally responsible operations. Ascribing to the American Chemistry Council's Responsible Care Codes of Management Practice and to ExxonMobil's Operations Integrity Management Systems has enabled the Baytown Olefins Plant to publicly demonstrate its care for the community in which operates. ExxonMobil earns the community's respect, trust and confidence through operating safely, preventing accidents and by active involvement in the Baytown community.
- Since 1993, the Baytown Olefins Plant has been recognized as an OSHA VPP Star Site.
- Baytown Olefins Plant has been recognized by various organizations, such as American Fuel & Petrochemical Manufacturers and Texas Chemical Council with various awards that demonstrate the site's history of commitment to responsible operations.

Community Impact

- Annually, Baytown area employees, retirees and their families contribute thousands of hours volunteering at more than 200 organizations. In recognition of these efforts, ExxonMobil contributed almost \$100,000 in 2020 to non-profit organizations where they volunteered.
- Area charitable contributions totaled more than \$1.3M in 2020.
- In addition, ExxonMobil, employees and retirees raised \$1.35 million for the 2020 United Way of Greater Baytown Area and Chambers County Campaign.
- Locally, ExxonMobil has donated resources necessary to fight COVID 19 including 3,000 gallons of hand sanitizer, 20,000 masks, \$25,000 in gas cards, \$50,000 in contributions and 30,000 gallons of fuel to

emergency responders, schools, non-profit partners and frontline workers whom have worked tirelessly to serve our community through the pandemic.

Plant Products and Their End Uses

- Ethylene - Recycling bags, plastic packaging/wrap, waterproof layer on diapers
- Propylene - Carpeting, upholstery, automotive plastic components, child car safety seats
- Butadiene - Tires, fabrics, engineered plastics, rubber
