

Baytown Technology & Engineering Complex

Company Profile 2021

Facility

- The Baytown Technology & Engineering Complex (BTEC) is ExxonMobil Chemical's primary global technology center, located within the greater ExxonMobil Baytown Complex.
- BTEC encompasses two major facilities with more than 740,000 square feet of space for laboratories, offices, product and applications testing and pilot plant operations.

Employees

- Approximately 711 employees and 110 contract personnel, including scientists, engineers, staff support, technicians and other professionals, about 183 of whom are PhDs.

Ownership

- Exxon Mobil Corporation (100%)

Services

- BTEC is home to employees who provide research and development and technical support to ExxonMobil Chemical's product lines such as Olefins; Aromatics; Intermediates such as hydrocarbon and oxygenated fluids; Polymers such as polyethylene, polypropylene, elastomers, butyl rubber and adhesion products; and Synthetic lubricants such as Mobil 1[®] products.
- BTEC houses a product-testing laboratory capable of supporting the wide variety of chemical products that ExxonMobil Chemical produces.

Taxes Paid

- Annual taxes (property, city, county, school and college) were \$2.32 million in 2020.

Economic Impact

- Annual salaries and wages are approximately \$123 million

Community Impact

- Annually, Baytown area employees, retirees and their families contribute thousands of hours volunteering at more than 200 organizations. In recognition of these efforts, ExxonMobil contributed almost \$100,000 in 2020 to non-profit organizations where they volunteered.
- Area charitable contributions totaled more than \$1.3 million in 2020.
- In addition, ExxonMobil, employees and retirees raised \$1.35 million for the 2020 United Way of Greater Baytown Area and Chambers County Campaign.
- Locally, ExxonMobil has donated resources necessary to fight COVID 19 including 3,000 gallons of hand sanitizer, 20,000 masks, \$25,000 in gas cards, \$50,000 in contributions and 30,000 gallons of fuel to emergency responders, schools, non-profit partners and frontline workers whom have worked tirelessly to serve our community through the pandemic.
