Beaumont Lube Plant
Energy lives here

**FACILITY:** 27 acres

**WORKFORCE:** about 185 employees

**PRODUCTION:** approximately 200 millions gallons of finished lubricant and base stock throughput annually

**PRODUCTS:** 365 lube oil products in 1,250 package combinations and 69 grease products in 230 package combinations.

- The Beaumont lube plant is the only manufacturer of Mobil Aviation Greases
- We blend and package Mobil 1, the world’s leading synthetic motor oil.
- We also manufacture synthetic oil and greases for the wind turbine industry.

**SAFETY AND AWARDS:**
- One of the longest standing Voluntary Protection Program (VPP) STAR worksites in the country, receiving its tenth OSHA STAR in 2017.
