

Baytown Olefins Plant

Company Profile 2023

Facility

- In operation since 1979, ExxonMobil's Olefins Plant in Baytown, Texas, is located on a 370-acre tract. A second ethylene facility was completed in 1997, and a third ethylene facility was completed in 2018.

Employees

- Approximately 453 employees with an average of 596 contract personnel.

Ownership

- Exxon Mobil Corporation (100%)

Production

- The plant manufactures approximately 10 billion pounds of petrochemical products each year which are shipped via pipeline.
- Baytown operates eleven natural gas cogeneration units that can generate up to 550 MW, used to generate electricity and high pressure steam across the Baytown Complex.

Taxes Paid

- Annual taxes (property, city, county, school and college) were \$36 million in 2022.

Economic Impact

- Annual salaries and wages are approximately \$134.5 million.

Safety and Environment

- The ExxonMobil Baytown Olefins Plant is committed to running safe and environmentally responsible operations. Ascribing to the American Chemistry Council's Responsible Care Codes of Management Practice and to ExxonMobil's Operations Integrity Management Systems has enabled the Baytown Olefins Plant to publicly demonstrate its care for the community in which operates. ExxonMobil earns the community's respect, trust and confidence through operating safely, preventing accidents and by active involvement in the Baytown community.
- Since 1993, the Baytown Olefins Plant has been recognized as an OSHA VPP Star Site.
- Baytown Olefins Plant has been recognized by various organizations, such as American Fuel & Petrochemical Manufacturers and Texas Chemical Council with various awards that demonstrate the site's history of commitment to safe and responsible operations.

Community Impact

- Annually, Baytown area employees, retirees and their families contribute thousands of hours volunteering at more than 200 organizations. In recognition of these efforts, ExxonMobil contributed thousands of dollars in volunteer grants in 2022 to non-profit organizations where they volunteered.
- Area charitable contributions totaled more than \$1.1 million in 2022.
- In addition, ExxonMobil, employees and retirees raised \$1.2 million for the 2022 United Way of Greater Baytown Area and Chambers County Campaign.

Plant Products and Their End Uses

- Ethylene - Recycling bags, plastic packaging/wrap, waterproof layer on diapers
- Propylene - Carpeting, upholstery, automotive plastic components, child car safety seats
- Butadiene - Tires, fabrics, engineered plastics, rubber
