

Beaumont Polyethylene Plant

Energy lives here™

FACILITY: The plant is located 10 miles west of the Beaumont complex on Highway 90.

LAND AREA: 374 acres

WORKFORCE: 236 employees and 525 contractors*

PRODUCTION: 1,650,000 tonnes of polyethylene per year

PRODUCTS: A variety of everyday consumer products and product components are made out of polyethylene:

- Shrink wrap
- Car dashboards
- Plastic film, which can expand the shelf life of fruits and vegetables
- Greenhouse coverings, which can increase crop yields

TAXES: \$16.3 million in local taxes paid annually

COMMUNITY INVOLVEMENT: Employees and retirees volunteered 9,468 hours in 2020 and contributed \$149,000 in VIP matching grants

SAFETY AND AWARDS:

- Participates in the Golden Triangle Business Roundtable Safety Awards annually
- Has an ongoing & proactive injury/illness prevention program and detailed emergency response plan that involves the participation of local fire, rescue and hospital facilities
- Since 1984, the Plant has been certified as an OSHA STAR Work Site for complying with the most stringent health and safety standards set by OSHA
- American Fuel & Petrochemical Manufactures (AFPM) Elite Gold Safety Award (2015-2016; 2019)
- American Fuel & Petrochemical Manufactures (AFPM) Award for Merit and/or Safety Achievement Awards (2011-2018)

INVESTMENT AND EXPANSION:

- Polyethylene Plant Expansion – In 2019, a new high-performance polyethylene line was added to the Beaumont Polyethylene Plant that increased polyethylene capacity by 650,000 tonnes per year, or by 65 percent. The expansion created 1,400 construction jobs and 40 permanent jobs.
